-----  
What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is an outdoor telecommunication enclosure?

Damage-resistant and reliable outdoor enclosures are key for outdoor telecommunication applications from cell tower sites and fiber optic networks to substations. These specialized cabinets house and protect sensitive equipment like routers, switches, and other network devices.

What is a top-hinging medium security MDU enclosure?

The Top-Hinging Medium Security MDU enclosure provides protected access for multi-dwelling fiber or telecom equipment, featuring a durable powder-coated design, secure hinged door, ample cable routing space, and flexible mounting options for broadband and telecom distribution needs.

We provide superior outdoor enclosures that are ready for installation. Fill out our registration form or call us at 904-674-2976 to learn more about our products and customization services.

Whether you need NEMA-rated outdoor enclosures, outdoor telecom cabinets, BESS solutions, or cabinet air conditioners, AZE has the expertise and products to meet your needs.
