Are sturdx outdoor cabinets IP rated?

At Sturdx, we provide outdoor cabinets that merge resilience, functionality, and reliability. This guide delves into the features, benefits, and applications of IP rated outdoor cabinets to help you make informed decisions.

What are IP rated cabinets?

IP rated cabinets offer certified protection against environmental elements. The Ingress Protection (IP) rating determines an enclosure's ability to resist solids and liquids,while NEMA (National Electrical Manufacturers Association) standards specify resistance to corrosion,rain,and other hazards. These enclosures securely host:
