Will Hainan become a free trade port?

Big changes are underway in Hainan--and they're designed to make everyday life smoother for residents, expats, and businesses alike. China's Hainan Free Trade Port will officially launch island-wide independent customs operation on December 18, 2025, completing its transition into a full-fledged Free Trade Port.

Is Hainan a key opening door to the world?

Chinese government on 1st June released master plan for the Hainan Free Trade Port, aiming at transforming the southern island province into a flagship of China's Opening-up and a key opening door to the world. The master plan will benchmark Hainan with some of the world's high-level free trade ports, for examples, Hong Kong, Singapore and Dubai.

Will Hainan FTP be a key gateway for China's new era?

"With the independent customs operations, Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation," Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.

Should Hainan have a zero-tariff system?

With a zero-tariff system fundamentally in place after the independent customs operation, high-quality global resources can flow into Hainan with greater freedom and efficiency, Wu said. Trade liberalization and facilitation are defining features of a free trade port.
