-----  
Will Hainan become a free trade zone?

In April 2018, China announced plans to transform the island into a pilot free trade zone, with a long-term vision of developing a free trade port with Chinese characteristics. A master plan released in 2020 aimed to make Hainan a globally influential hub for high-level openness by mid-century.

Will Hainan become a high-level free trade port by 2025?

South China's tropical island province of Hainan is intensifying efforts to establish itself as a high-level free trade port (FTP) by 2025. Key plans were outlined in a government work report presented during the annual session of the Hainan Provincial People's Congress on Tuesday.

Why should a free trade port be built in Hainan?

The construction of a free trade port in Hainan can strengthen economic, trade and investment ties with BRI partner countries, especially ASEAN countries, enhance the level of opening up to the outside world and expand foreign trade.

When will China's Hainan free trade port open?

BEIJING, Aug. 8 -- China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.

Battery storage covers a mere 9 percent of capacity, as high cost and reliability issues have previously limited investment. Performance improvements in the last year have ...
