Should Hainan have a zero-tariff system?

With a zero-tariff system fundamentally in place after the independent customs operation, high-quality global resources can flow into Hainan with greater freedom and efficiency, Wu said. Trade liberalization and facilitation are defining features of a free trade port.

How will the Ministry of Commerce support Hainan?

The Ministry of Commerce will make more efforts to support Hainan in aligning with high-standard international economic and trade rules, enhancing institutional openness, and fostering new growth drivers through targeted measures, Jiang said.

What will the Hainan FTP entail?

Looking ahead, the Hainan FTP will prioritize promoting the free and efficient flow of key production factors, including trade, investment, cross-border capital, personnel and logistics, alongside the secure and orderly movement of data, according to Cai.

Will Hainan FTP be a key gateway for China's new era?

“With the independent customs operations, Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation,” Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.
