How many inland shipping companies are there in the Yangtze River?

nted Industry with Poor Profitability 09As of the end of 2021,there were 3,727 transportation enterprises and 9,858individually owned inland shipping companies in the Yangtze River system,among which,more than 700 enterprises are registered in Jiangsu and Anhui provinces,and over 6,000 individually owned inland shi

What is the 'electrification of the Yangtze River' initiative?

ty advancement of the shipping industry.In June 2023, representatives from 13 provinces and cities along the Yangtze River unveiled the "Electrification of the Yangtze River" initiative. This move is pivotal for achieving China's "dual carbon" goals, enhancing the high-quality growth of Yangtze River shipping, and supporting the "

What is the cation of the Yangtze River initiative?

cation of the Yangtze River" initiative. This initiative aims to reduce carbon emissionsand mitigate pollution while also expanding the green

What is the plan for the Yangtze River mainline?

ronment and embracing green development. The Plan for the Port Layout and the Protection and Utilization of Port Shorelinesalong the Yangtze River Mainline,sets a clear goal: by 2035,establish a modern,well-structured,functional,efficient,green,safe and

Logistics resilience is a significant representation of sustainable development ability and a necessary support for high-quality economic development. In order to explore the ...

The results show that the overall water environment pressure and economic growth of the Yangtze River Economic Belt have shown a positive trend (from weak decoupling to ...
