-----

Where can I find IP55 enclosures?

Find IP55 enclosures at Bison Profab, offering reliable protection against dust and low-pressure water jets. Learn about IP55 specifications and ideal uses.

Who makes NEMA rated IP55 enclosures?

Nema Enclosures manufactures quality custom and standard NEMA-rated IP55 enclosures. Contact us today to learn how we can expedite a custom enclosure and produce cost-effective standard NEMA-rated enclosures to protect your equipment. Questions?

Are IP55 enclosures safe?

Additionally, IP55 enclosures provide safety by preventing contact with the equipment inside. This protects both the equipment and anyone interacting with the enclosure from potential harm. IP55 enclosures come in a variety of durable materials, including aluminum, carbon steel, and stainless steel. Each material has its own benefits:

What is a standardized IP55 protection code?

The IEC's standardized International (or Ingress) Protection Code system is used to designate the protective capacity of an electrical enclosure. The two-digit code shows the protection against particles (the first digit) and water (the second digit). Continue reading to learn more about IP55 Standard Protection Specifications.
