Who is direct solar wholesaler Energy Group?

Direct Solar Wholesaler Energy Group is a national-wide renewable energy solar and battery company. We carry most of the quality brands in the market, from panels to inverters and battery storage.

Does IKEA Australia have solar panels?

IKEA Australia has solar panels installed on nine out of 10 'big blue box' stores, in addition to the Marsden Park distribution centre, achieving in FY24 100% renewable electricity use in its retail operations drawn from onsite operations and large-scale renewable energy certificates (LGCs).

What are the benefits of a solar energy storage system?

Scalable Capacity - Expand energy storage by adding more containers as your power needs grow. Off-Grid & Hybrid Capability - Works with solar, wind, or diesel generators for flexible energy management. Safe & Secure - Fire suppression systems, thermal management, and advanced monitoring ensure safe operation.
