What is KDM outdoor Battery Cabinet?

KDM Outdoor Battery Cabinet guarantees the service life of the batteries. It also enhances the temperature of the main facilities and power equipment in the base station so as to lessen power consumption. KDM Outdoor Battery Cabinet has high safety, fast assembly, maintenance-free, suitable for the rigid environment.

What is an outdoor Battery Cabinet?

Outdoor battery cabinet protects contents from harmful outdoor elements such as rain, snow, dust, external heat, etc. Plus, it provides protection to personnel against access to dangerous components. As a famous manufacturer in China, KDM supplies thousands of outdoor battery cabinets for different purposes.

What is the best material for outdoor battery cabinets?

Stainless Steel - KDM can fabricate outdoor battery cabinets from different variants of steel. It has specific characteristics, corrosion-resistant and durable. Aluminium - a material that is affordable and versatile. It also offers ventilation and heat reduction features perfect for fabricating outdoor battery cabinets.

What is an outdoor NEMA 3R Battery Cabinet?

Outdoor NEMA 3R modular design easily expands and can accommodate any configuration of batteries and DC power equipment. This becomes a great alternative for substations with limited interior space allowing for consolidation of your DC power system. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.
