Can I try a Sophia course for free?

Try a Sophia course for free. Your free trial work is applied toward course credit when you become a member. Try any Sophia course for free (through the first challenge of a unit). These courses are designed to transfer to 100+partner colleges and have been reviewed for credit at 1,000+other colleges and universities. No credit card required.

Is Sophia a good school?

Sophia is a wonderful place to begin. Being able to take general education courses at your own pace for a fraction of the cost of the same class at a college or university is a wonderful chance to explore and decide if you are ready to commit fully to pursuing your education." "My experience with lab courses was wonderful.

Do I pay for a course if I'm a Sophia member?

As a Sophia member,you don't payfor individual courses. Instead,you can take as many courses as you like during your membership period. Are there additional fees,like books and materials? Is there a time commitment? Are you limited to two courses each month? Will my plan automatically renew? What is your 30-day money back guarantee?

Is Sophia a good place to study general education?

"My advice is to dip your toe in the water. Sophia is a wonderful place to begin. Being able to take general education courses at your own pace for a fraction of the cost of the same class at a college or university is a wonderful chance to explore and decide if you are ready to commit fully to pursuing your education."
