How will the Vatican's new energy system work?

According to the Vatican's press office, the installation will apply the most advanced solutions currently available, balancing clean energy generation with the preservation of agricultural use, the region's hydrogeological stability, and the protection of its cultural and archaeological heritage (ZENIT News / Rome, 08.01.2025).-

Will the Vatican transition to solar energy in 2024?

Nearly one year has passed since Pope Francis revealed his plan for the Vatican state to transition to solar energy as its main power source, as outlined in the 2024 motu proprio *Fratello Sole*, or "Brother Sun."

When did Pope Pius XI inaugurate Vatican Radio?

Pope Pius XII inaugurated the site in 1957, more than two decades after Pope Pius XI pioneered Vatican Radio with Italian engineer and Nobel Prize winner Guglielmo Marconi in 1931. Pope Leo XIV visits the Vatican's radio transmitter station in Santa Maria di Galeria, Italy, a Vatican extra territory outside of Rome, on June 19, 2025.

Why did Pope Leo XIV visit the Vatican Radio station?
